About the Smithtown Community Band

Now in its 28th season, The Smithtown Community Band has proudly served the Smithtown township, having performed well over 100 concerts. SCB has had the pleasure of working with the Smithtown, Nesconset and Kings Park libraries, the Village of St. John's, the Smithtown Recreation Department, the Smithtown Township Arts Council, the chambers of commerce in Smithtown, St. James and Nesconset, and the dedication ceremonies for Constitutional Boulevard located at the H. Lee Dennison Building in Hauppauge. This year, we continue our partnership with the Smithtown Historical Society as we present a series of performances for the 2014 Summer Concert Season.

Formed in the summer of 1987, under the founder and director William Link, the Smithtown Community Band, is an organization in which musicians provide free concerts to the community. Currently the band has 75 members ranging in age from 15 to 70 who share the common goal of creating music.

In 2014, the Smithtown Community Band will travel "Across the Universe," explore strange new worlds, seek out new life and new civilizations, and boldly go where no one has gone before. Featured music will include Holst's Jupiter and Mars and tributes to the movies Star Wars, Star Trek and 2001: A Space Odyssey. A very special highlight for the 2014 summer concert season will be a multi-media laser light show presentation, coordinated with a live music performance, on Tuesday, July 22nd. Our summer concert series will also include classic overtures, rousing show tunes, marches, blockbuster movie soundtracks, TV show themes and lots of jazz, rock and blues, performances the entire family will enjoy in the safe, beautiful grounds of the Smithtown Historical Society Brush Barn. Bring a chair, a blanket and a basket dinner, and enjoy our performances under the stars.
